Dear Valued Customer:

Baldor Specialty Foods has a strong commitment to food safety and customer satisfaction.

Therefore, we wanted to urgently make you aware that Baloian Farms has issued a recall of their whole fresh American cucumbers (all sizes) due to potential Salmonella contamination. Please note that these cucumbers are packaged in bulk cardboard containers labeled “Pamela” or packaged in a generic white box with a sticker noting the implicated grower’s name, “Agrotato, S.A de C.V.” Because of the shelf life of the product, the items listed below might have already been consumed. At this time, Baldor has not received any complaints related to this recall.

Baldor is instructing all customers that purchased the below items **between October 20, 2024 and November 30, 2024 from Baldor to please do not use this product and return any unused product in its original box for full credit.** Full credit will only be issued for returned products in the original carton.

Item Code	Item Description	BRAND	Trace Information
CU1	CUCUMBERS SELECT 1 BSH	“Pamela” or “Agrotato, S.A de C.V”	Purchased from 10/20/24-11/30/24
